

The Secrets In This Book Generate **CONTROVERSY!**

THEY SAY

You're underinsured and we have to hit you with a coinsurance penalty.

I SAY

Fight with the insurance company over the valuation of your property.

THEY SAY

We have to assess depreciation on your personal property.

I SAY

Force the insurance company to prove the valuation of your personal property. Most of the time, they're wrong.

THEY SAY

You don't need a Public Adjuster. We'll calculate your claim at no extra charge.

I SAY

Without a Public Adjuster working for you, the settlement amount could be thousands less. And, how will you know if the insurance company paid all that they owe you?

THEY SAY

Take your car to three body shops and get estimates for the damages.

I SAY

Nothing in your policy requires this, and it wastes your time. Go to the body shop of your choice.

THEY SAY

Let me get a recorded statement from you...it'll only take a few minutes.

I SAY

NEVER give ANYONE a recorded statement without your attorney present.

THEY SAY

Your damaged vehicle doesn't qualify for a diminished value payment

I SAY

NEARLY ALL DAMAGED VEHICLES qualify for diminished value after a wreck.

THEY SAY

You have to use our "authorized repair vendor" for your repairs.

I SAY

Nothing in your policy requires this. Their vendors use cheap aftermarket parts that can be dangerous.

THEY SAY

Your vehicle is a total loss, and we're only paying you \$XX for settlement.

I SAY

Fight with the insurance company to prove your vehicle's value is higher.
